Courtney's persuasive essay, countless extra-curricular activities, impressive academic record and outstanding recommendations made her the ideal candidate for the award. Kate Matthews Kelly, V.P. Education at ClassLink, remarked, "As an organization, ClassLink is dedicated to partnering with our schools to provide quality technology tools for learning. Our scholarship program endeavors to recognize those students who embody all that is right in education today. Courtney's application impressed the members of the judging committee as she is clearly a student with a passion for learning, dynamic personality and aptitude for technology. We are pleased to support her in what promises to be an impressive collegiate career."

As part of the scholarship application, students are asked to respond to a timely essay topic. This year's topic posed the question of the role of ethics in modern society. Students were asked, "What is the correct balance between ambition and ethics? What role should ethics play in the professional arena?" Scholarship selection was based upon written essay, school record including activities, and recommendations. The \$1,000 gift may be applied
